THE GREATER ALLEN A.M.E. CATHEDRAL OF NEW YORK
110-31 FLOYD H. FLAKE BLVD. JAMAICA, NY 11433

REV. STEPHEN GREEN, PASTOR

Greetings!

On behalf of the entire Greater Allen AME Cathedral of New York, I want to thank you for your commitment to empowering the next generation of leaders.

This work is more than a career, it is a sacred calling. You have chosen to give of your time, talent, and treasure to shape the future, and your investment will bear fruit in ways you may never fully see. The students you will encounter this year are not only gifts to us, but also the solutions for the world's problems.

My prayer is that this book will be both a resource and a refuge for you. May each prayer renew your spirit, remind you of your divine purpose, and strengthen your resolve to keep pouring into the lives of our young people.

The Best is Yet to Come!

In the spirit of Ubuntu,
Pastor Stephen Green

Dear God,

Thank you for guiding me to the start of a new school year. I pray that you will cover all our students, teachers, administrators, and staff daily. We are grateful for the peace that comes from you when we live out our purpose. Grant me patience and perseverance to face every challenge with faith, wisdom, and love.

Bless every teacher with creativity, clarity, and compassion as they prepare lessons, manage classrooms, and speak life into their students. Give them strength when the days are long, discernment when decisions are difficult, and joy in the moments when their work bears fruit.

Bless every administrator with vision, fairness, and humility as they lead schools with integrity. May they make choices that build safe, nurturing, and equitable learning environments for all. Remind them that leadership is service and that their service is sacred.

Protect every school from harm and fill every hallway with peace. Let kindness be the language spoken in classrooms, and let justice be the standard in policies and practices. Unite teachers and administrators in shared purpose so that together they can inspire, challenge, and guide the next generation.

Lord, remind us that education is not only the passing on of information but the shaping of hearts and minds. May every word be spoken, every lesson taught, and every decision made be rooted in love. And at the end of each day, let all who serve in our schools reflect the power of ubuntu, I am therefore we are.

In Jesus' Name, Amen.

Pastor Stephen Green

Heavenly Father,

We come to You with grateful hearts as we begin another school year. Thank You for every teacher, administrator, and staff member You have called to this sacred work of shaping minds and hearts. Thank you for the gift of education and the power it has to transform lives. Lord, I lift up every teacher. Bless their hands to prepare lessons that inspire curiosity, their minds to think with wisdom, and their hearts to love every child in their care. Give them patience when challenges arise and joy when they see growth in their students. Remind them that even the smallest seeds they plant can bear great fruit in time.

I pray for every administrator. Cover them with clarity, discernment, and grace as they lead. Let their decisions be guided by compassion and fairness. Strengthen them to stand for what is right, even when it is not easy, and fill them with vision to build schools where every student feels safe, seen, and valued.

Father, protect our schools from harm and fill them with peace. Let encouragement outweigh criticism, and let kindness be contagious in classrooms and hallways. Unify our educators in purpose so they can work together in harmony for the good of every child.

Lord, may this year be filled with breakthroughs, creativity, and hope. And when our teachers and leaders feel weary, remind them that they are making a difference every single day. Bless them abundantly for all they pour into the lives of others.

In Jesus' Name, Amen.

Lady Braea Green

**Let us not grow weary or become
discouraged in doing good, for
at the proper time we will reap,
if we do not give in.**

Galatians 6:9 (Amp.)

Lord, please encourage and uplift all educators and school staff members as they enter the 25-26 school year with infused passion, clarity of purpose, and a greater vision for the children and colleagues that you have preordained to cross their path. Attend to their needs as they attend to the needs of the students. Build and secure their lives as they are used as instruments to help form and develop the lives of the future generation. As they pray over the children they serve, please answer the hidden prayers of their hearts. Let them never get weary, become burned out, or experience compassion fatigue in the work that they are doing as they surrender to you to do the work through them. Bless them and strengthen them for the days, months, and years ahead. Cause all things to work in accordance with your will, in them and through them.

In Jesus' Name, Amen.

Rev. Angela Daubon

Gracious Father,

As this new school year begins, we lift up every teacher and school administrator into Your loving care. Surround their classrooms and halls with Your divine protection, keeping them safe from every danger. Grant them strength to face daily challenges, courage to make wise and fair decisions, and the peace that surpasses all understanding to guard their hearts and minds in Christ Jesus (Philippians 4:7). Let Your wisdom flow through their words and actions, and may they lead with integrity, patience, and love. Fill their days with hope, joy, and the assurance that You are with them always.

In Jesus' Name, Amen.

Min. Modupe Ogunlaja Armstead, MSSMC

**Start children off on the way they
should go, and even when they
are old they will not turn from it.**

Prov. 22:6 (NIV)

Lord, we lift up all educators as they enter a new school year. We thank you for surrounding them with your presence; for you are forever near. Please help them to know that every student that comes across their path is a divine assignment from you. Prepare them in advance for all that they are called to do. Give them patience and discernment to know how to serve the population that you have entrusted to them. Give them wisdom to see each student through your lenses and help them to draw greatness from deep within. Their words have power; speak through them to lift up and encourage. Please help them to reach the lost and alter the lives of the discouraged. As they pour out, pour back into them, so they won't grow weary on the journey ahead. Draw them closer to you so that they will be Spirit-led.

In Jesus' Name, Amen.

Rev. Angela Daubon

God You Are All in All!

May the powerful, sweet, loving Spirit of Almighty God continually surround and fill you day and night, going before you as you enter your Center of Education. May God's Spirit permeate the halls, classrooms, auditorium, gymnasium, lunchrooms, offices, restrooms, all areas inside and outside, with His power, grace, mercy, love, and protection as the power of His blood prevails.

May His love and joy overflow from you to students and staff, reaching even the most raucous, angry, seemingly unlovable child and adult, awakening their Spirit to seek God through Jesus, His Son.

May God's wisdom empower your words to teach, breaking down all strongholds, allowing His light to shine through the darkness of minds and souls.

May God's power, peace, and love order your life, your loved ones, family, friends, coworkers, and all you come in contact with as He gives you the requests of your lips and the desires of your heart.

In Jesus' Name, Amen.

Prayer for Love in Teaching and Leadership

Based on 1 Corinthians 16:14

Heavenly Father,

As we approach the new school year, we lift up our teachers and administrators to You. Your Word reminds us in 1 Corinthians 16:14, “do everything in love,” and we pray that teachers and administrators will make this the foundation of their work.

We pray God that every lesson taught and every decision made will be rooted in love. We pray God that every interaction shared between students, teachers, and administrators will be rooted in Your love.

Fill their hearts with patience when challenges arise, with compassion when students struggle, and with joy when progress is made. Be a source of encouragement and inspiration for the teachers and administrators so that they can, in turn, be a source of encouragement and inspiration for their students and colleagues. Please help them to impart knowledge and play a crucial role in nurturing character and influencing the future generation.

Help them to see each student as You see them—precious, full of potential, and worthy of care. Help them to see each student and remove any unconscious bias in the mighty name of Jesus. Let their actions bring peace to the classrooms and their schools. May Your love flow through them so powerfully that it transforms classrooms, offices, and hallways into places of grace and growth.

In Jesus’ Name, Amen

Prayer for Church School Teachers

God, our Heavenly Teacher, we thank You for earthly teachers who are filled with the Spirit of God. Fill them with Your wisdom, teaching abilities, understanding, and biblical knowledge. Grant them skillful methods for teaching our children the Word of God. Grant them the Spirit to do the ministry of developing Disciples for Jesus.

Give these educators the power to reach the unsaved and the ability to plant spiritual seeds in their lives. Empower the teachers to nurture, guide, and direct the next generation to Christian living, praising, praying, and worshipping.

Give them the ability to make the Word of God relevant in the lives of each student. Grant them the ability to
understand the circumstances and needs of those they teach.
Giving all glory to God!

In the name of Jesus Christ, Amen!

Rev. Kenneth Richardson

Fill their classrooms and offices with peace, unity, and purpose. Let their leadership shape not only minds but also character, preparing students for a life of excellence and integrity. Rev. Dr. Deborah Wortham

Our most gracious & merciful Father,

We come to you on behalf of the teachers and administrators whose commitment to education supports the growth and development of our children. As the new academic year begins, we pray for their success and well-being. May they be equipped with wisdom and sound judgment in their roles, demonstrate resilience in addressing challenges, and maintain compassion toward their students. We pray for a safe and nurturing environment within their schools, and their work and work habits will be encouraging, inspirational, and creative. Through their dedication and support, may they continue to have a meaningful and positive influence on their students. They may not be able to tell them of your great love, but those educators who love you and follow you, may the life they live before the students in the classroom, the character they project, and their communication with their peers demonstrate your love. Be their guide and protector, I pray.

In Jesus' Name, Amen.

Dr. Osbourne Ross

Almighty God,

You are great and greatly to be praised. As the new academic year commences, we lift up teachers and school administrators. We thank You for them and all that they do. We ask that You give them strength, wisdom, patience, and discernment. Father, You know what each teacher and school administrator will face this school year. Please provide them with the resources and support needed to perform effectively. Protect them from hurt, harm, and danger. May they embrace Your peace that surpasses understanding. We pray that they be in good health and prosper, even as their souls prosper. Use them to impact the lives of Your children and everyone they encounter. May their lights shine so bright that all people will see and glorify You. As they are taking care of Your business, perfect everything that concerns them. Father, thank You for a successful school year.

In Jesus' Name, Amen.

Evangelist Cynthia Washington

In Jesus' mighty name, we pray. Amen.

Rev. Carla M. Hunter Ramsey

Lord,

We thank you for the gift of educators and all those who work in the education system. For where would we be as individuals, as a society or as a nation without the love, sacrifice, input and guidance of our teachers and educators. As we embark on a new school year, I pray first that they will know that they are loved and appreciated. May they know their gifts are invaluable. And Lord, as the call to teach or work in a very broken school system in any capacity can be difficult, I pray you will empower them with strength, endurance, empathy, and wisdom. Please give them a special anointing to complete the tasks required of them each day. Anoint them to bring miraculous healing and transformation in the lives of the students under their care. Protect our educators from all dangers and harm. Lord, reward them for their sacrifice and faithfulness.

In Jesus' Name, Amen.

Rev. Dr. Tanesha Lawrence, M.D.

Prayers for Administrators & Teachers

Father God, our supreme guide, teacher, and administrator. Your Word says you “know the plans you have for us”, giving us a hope and a future.” You know the end from the beginning, and you hold our future in your hands. You already have plans for each and all of your creation and desire for us to live out this plan through your gifting and strength. For this, we are grateful.

We lift up the school administrators and teachers, as well as those working in close contact with students and parents: guidance counselors, school nurse, special needs professionals.

We pray that the administrators will plan the curriculum for every class using their God-given knowledge, wisdom, expertise, and available budget. We thank you in advance for an adequate number of dedicated, knowledgeable, unbiased teachers, well-trained and knowledgeable about their subject. We pray they have a love for teaching, creativity, and an abundance of patience as well as insight or a spirit of discernment and mentorship. They want to be a source of encouragement to each student and inspire them to reach their full potential. Lord bless their going out and coming, their getting up and lying down. Meet their every need and cause them to know you are there for them.

In Jesus' Name, Amen.

Evangelist Carolyn Clemons

Heavenly Father,

We come to you asking you to watch over the teachers and administrators during this upcoming school year. Holy Spirit, stop by every school building from pre-k to colleges and set the atmosphere before they arrive.

We pray in the Name of Jesus that you will strengthen the teachers and administrators daily with patience to handle situations when they arise and wisdom as they prepare their lesson plans.

Watch over the children and the families of every teacher and administrator. Be Jehovah Jirah in the classroom and their homes and protect them and their families from any hurt, harm, or danger.

We thank you for what you have done, for what you are doing, and what you will do in the lives of the teachers and administrators this year. We seal this prayer in the "Blood of Jesus Christ," which never loses its power.

In Jesus' Name, Amen.

Rev. Donna Dunn

Heavenly Father,

I pray that teachers and administrators would be empowered daily to carry out the multitude of assignments and responsibilities required to serve every student faithfully. Lord Jesus, equip them with effective technical, administrative, social, and communication skills necessary to educate every student. Lord, I pray that academic excellence will be present in every school and every school district as another school year begins. Holy Spirit encourage teachers and administrators during professional and personal challenges. Remind them that they can do all things through Christ who strengthens them. (Phil 4:13). Thank you, Lord, for the seeds of knowledge, wisdom, and kindness that are being sown. Thank you, God, in advance for the bountiful blessings these seeds will bring forth in the lives of our students and educators in

Jesus' Name, Amen!

A Prayer for Peace

“You will keep him in perfect peace, Whose mind is stayed on You,
Because he trusts in You.”

Isaiah 26:3 NKJV

Heavenly Father, we as educators, thank you for the spiritual renewal, self-care, rest, and peace that you provided us with this summer. We ask that you teach us how to continue in these areas even when we return to work. We thank you that as we keep our minds stayed on you, you will give us perfect peace because we trust you. With your peace, we will spread your love to our colleagues, students, and their families, which will make the entire school environment peaceful. We thank you, Lord, for an amazing 2025-2026 school year ahead, and we believe that the best is yet to come for every administrator and educator in every area of life: spiritually, mentally/emotionally, and physically.

In Jesus' Name, Amen.

Rev. Sharice Wallace

Gracious Father,

we pray for all administrators and teachers as they are entering the schools of learning, which are opening their doors for another school year. Let their daily prayer be the Word of God found in Philippians 4:13 "I can do all things through Christ who strengthens me." Empower them with this Word that will encourage courage, wisdom, strength, safety, and a positive impact on students and their parents. We pray for wisdom to guide their students effectively and make sound decisions. Keep all administrators and teachers from teaching anything that might harm the proper moral and spiritual development of students under their care. We pray for every administrator and teacher in public schools and Christian schools. Hold your hand of protection over them and make them effective witnesses demonstrating your light and your love towards every student, parent, and coworker. Remind every administrator and teacher that teaching is not only an essential profession but, more importantly, a "calling" to serve in that capacity. May their testimony and teaching bring peace and comfort to every heart.

We pray that all administrators and teachers see all knowledge and instruction in relation to you. Give them all the true wisdom which finds its joy in you and the salvation which we have through Jesus Christ. Amen.

Rev. Laverne Robinson

Prayer For Wisdom in Leadership & Stewardship

Almighty God, cover our schools with Your presence and shield leaders with Your protection. Grant us discerning spirits to recognize what is needed and the courage to act with integrity. As we steward budgets, ensure safety, and make decisions about those who serve, let every choice reflect Your justice and compassion. Teach us to build systems that honor teachers, nurture their growth, and affirm their calling. Keep us humble in continuous improvement, relentless in pursuit of equity, and faithful in serving with excellence. Give us wisdom to work with those in authority over us and strength to close the gaps that divide our children. Bless those who guide and support us, that their counsel may sharpen our work and align it with Your will. Let our leadership shine with wisdom, truth, and compassion, so that all who encounter us see Christ in us.

Scripture:

If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you.”
– James 1:5

Affirmation:

We walk in divine wisdom, leading with integrity and serving with purpose.

The Lord, My Strength

Sometimes we may get overwhelmed by fear of the future. We are looking at the big picture.

Teachers and Administrators, you may remember what the past year was like and feel overwhelmed by what the upcoming school year may bring. To be successful is to back up from your future fears, let go of the reins of “control” and allow God to carry you through the vicissitudes of life. God is in the beginning and the end of your school year, and what looks insurmountable to you, God will take you right through it.

Deuteronomy 33:25b states. “And as your days are, so will your strength”.

If we try to go ahead of God and work the future out in our own minds, fear arises. God will give you a step-by-step plan on how to conquer your struggles. You must rest daily in God’s presence and receive the strength and peace you need.

Let us pray,

Lord, help me not to stress over what may or may not come. Help me to rest in the assurance that you have promised to give me strength every day. Thank you for being my strength. Amen.

Rev. Nicole Edness

Eternal God, Our Father,

We come before You today, lifting up our teachers and administrators who labor in schools and communities too often overlooked and underserved. Lord, You know the weight they carry and the challenges they face. Strengthen their hearts when resources are scarce, and renew their spirits when discouragement comes. Grant them wisdom to teach with clarity, patience to nurture with love, and courage to stand as examples of dignity and faith. Remind them that their work is holy, for every child is made in Your image. Surround them with Your protection, cover their classrooms with peace, and let their presence shine as a light of hope in places where despair often lingers. Bless them, O Lord, and let their labor bear fruit for generations to come.

In Jesus' mighty Name we pray, Amen.

Rev. Eugene Harrison

Gracious and Loving God,

We come before You with grateful hearts as we begin this new school year and the chance to learn, grow, and work together. Thank you for the gift of learning, the blessing of community, and the opportunities that lie ahead. Lord, we lift up teachers everywhere and ask that You bless us with patience, creativity, and discernment. I speak Galatians 6:9 over every teacher that we would not grow weary in doing good. Let our classrooms be places of safety, inspiration, and encouragement. Lord, give us renewed strength each day, and remind us that the work we do changes lives. We remember our administrators. I pray James 1:5 over every administrator that they would ask You for wisdom and clarity in decision-making, compassion in leadership, and fairness in every action. Guide their vision so that every choice builds a school community rooted in care and excellence. Lord, protect and cover our schools as You promised in Psalms 121:8. Cover us under the blood of Jesus Christ and let no weapon form against us individually or collectively prosper. We speak safety and peace in our schools. Guard every hallway, every classroom, every meeting, and every heart. Help us to walk in unity, lifting each other up and choosing love over division. May this year be filled with growth, joy, and the hope that comes from knowing You are with us every step of the way.

In Jesus' Name we pray, Amen.

Rev. Karen Bentley

Father, in the Name of Jesus,

I lift up teachers, educators, and school administrators as they begin this new school year. Lord, we thank You for their hard work, dedication, and commitment to shaping the minds and hearts of the next generation. Please help them to see that their efforts impact not only individual students, but also families, communities, our nation, and the world.

Lord, we know that the demands of their work can sometimes bring weariness. Strengthen them throughout this school year. Remind them that their labor is not in vain in Your sight. We pray that teachers and administrators walk together in unity. Empower administrators to be encouragers—supporting their teachers, guiding parents, and inspiring students. Give them wisdom, patience, and discernment in every decision. Help them to recognize and nurture the unique gifts and talents each teacher brings to their school.

Grant teachers the grace to see the good in every student who enters their classrooms. Cover every school with Your protection, creating a safe and nurturing environment for both students and staff. May joy, peace, and excellence fill the halls of learning.

In Jesus' name, Amen.

Prayer for Integrity in Leadership

Gracious God,

We thank You for our teachers and administrators. As they serve this school year, guide them to lead with integrity, empathy, fairness, and compassion. Help their words and actions reflect honesty and truth, and may their leadership inspire trust and respect in all they do. May they have the support that they need from the District and Superintendents. May they find favor with You and favor with those they serve with throughout this school year.

God, Your Helper.

Good morning, wonderful, powerful, all-knowing, loving Almighty God our Creator. As we enter into another day, we continue in prayer for our educators, administrators, all staff and volunteers, that You would empower, strengthen, and enlighten with Your wisdom and love, giving them more than enough to guide them through whatever this day holds. Meeting each challenge not only with wisdom, but kindness and love, bringing it to a safe and peaceful conclusion.

As their day ends and they head for home or other endeavors, replenish and refresh them. Let your strength and energy flow through them, enabling them to fully engage, blessing their families with the attention, kindness, and love You gave them to share with all they have come into contact with.

Continue to bless them and their families, let them lie down in safety with sweet restorative rest and sleep.

In the Mighty Name of Jesus. Amen.

1 Peter 4:11 NLT

Then everything you do will bring glory to God through Jesus Christ. All glory and power to him forever and ever!”

Lord, your word asked if I have the gift of helping others? Do it with all the strength and energy that you supply.

Thank you for the strength, insight, and inclusion in your plan to help others.
May I work with integrity and show your love to everyone daily.

Please guide me to support and encourage the children and my coworkers through our daily and seasonal activities.

Lord, help me to pray for the needs of the school and also to keep the school functioning well. Guide me with the word of God in my decisions and in sharing with others what is next and new on all levels.

Show me how to unite children, teachers, and the total supporting staff so we all soar and succeed.

Prayer for Creating Christ-Centered Learning Environments

Lord Jesus, dwell richly in our classrooms. Let every word we speak and every action we take reflect Your presence. May students see Christ in the way we teach, correct, and encourage. Build in us patience, wisdom, and creativity to establish learning environments where respect and love prevail.

Protect our children from harm, unkindness, and exclusion. Let every classroom be filled with compassion, so that no voice is silenced, no heart is diminished, and no child feels alone. Let our schools' become families of faith where Your will is done on earth as it is in heaven. Amen.

Almighty God,

We ask that as these educators and administrators enter a new school year, You would walk alongside them and help them not to grow weary in well-doing. We know there are many challenges they face—navigating systems, working with children and families, and balancing their own personal lives. We pray that You will strengthen them through it all.

Remind them that the work they do is a ministry and that it is all for Your glory. We ask that You help them overcome every obstacle they may face throughout the year and provide the resources they need to serve Your children, and in doing so, serve You.

Allow them, Lord, to reap a harvest from the seeds they have planted.

It is in Jesus' Name we pray. Amen.
